

I am a listener of K-LOVE radio station and am very pleased with how K-LOVE keeps me informed of local community issues that affect me. I, as well as hundreds of thousands of other listeners, would be very disappointed if K-LOVE were displaced by an LPFM broadcaster. I am constantly encouraged and uplifted each and every day because of K-LOVE's positive message that they send to the public. K-LOVE supports wholesome family values that are so needed in society today. Please do not change how K-LOVE is being broadcast to this area. Thank-you.
